WHITE HAWK ANNUAL EQUINOX PARTY

Submitted by Serena Lindahl

ON SATURDAY, SEPTEMBER 21, Danby's local ecovillage is again hosting its annual Fall Equinox event. The event starts at 5pm and ends at approximately 9pm.

There'll be a potluck, music, apple cider pressing, activities for kids, an evening fire, and lots of company and conversation! Everyone is welcome: whether you're interested in the community, want to see the changes that have happened in the last year, or have never visited before.

If you're planning on enjoying the potluck, please bring a dish to share (labeled for allergies and special diets) and a place setting (plates, silverware) for each individual partaking.

Located at the end of White Hawk Lane (between Miller and Gundersman Roads), expect a night of relaxing companionship after you've celebrated Danby's Annual Community Day.

We're looking forward to seeing you! ❁

DANBY COMMUNITY FUN DAY AND PARADE

Submitted by Brian Collins

THE DANBY VOLUNTEER FIRE COMPANY is hosting its Danby Community Fun Day on September 21, 2019. This community celebration offers various food options including a chicken BBQ, the very popular Lucky Draw Auction, vendors, games, live music and more!

All the money raised goes to support the all-volunteer fire company whose members actively donate their time to provide fire protection and medical service to the community.

We are very pleased to announce that the parade is coming back! The line-up will begin at 9:30am, and the parade itself begins at 10:30am with the entire event running from 10am until 2pm.

There are a number of ways that you can participate this year: as a vendor, a volunteer, a donor (including books), or as part of the parade. Please contact us at [danbycommunityfunday@gmail.com] if you're interested

in any (or all!) of these with *vendor, volunteer, parade, or donation* in the subject line.

We look forward to seeing you! Please save the date!

This program is made possible in part by a grant from the Tompkins County Tourism Program.

TOWN CLERK'S DESKTOP

Submitted by Pamela Goddard, Town Clerk

Heavy Weather

A YEAR AGO, (MID-AUGUST, AS I WRITE THIS) I was writing about how Danby had been spared flooding from heavy rain. Once again, mid-August brought flash flooding and damage from high winds to our Candor neighbors in the south and (this year) to several residents in Central and South Danby. Are dangerous storms the new normal? Intense weather certainly seems to come more frequently. And, it is often very localized and scattered. We again remind all of us all to take care of regular maintenance and to be grateful for what we have.

Heavy cloudbursts and high winds in August may also be a precursor to potential flash flooding in the Autumn, when hurricane season blows through. Once the ground is saturated, there can be nowhere for heavy rains to go except down the roads, under culverts and bridges, and through ditches. Roads may be closed, and we may need to make long detours to get where we want to go. Emergency alerts remind us, don't drive through flowing water on roadways. The water

may be deeper than you think. Go to higher ground, especially if your home is in a flood prone area. Act swiftly to protect your life and property.

Tompkins County has created a "Swift911" emergency alert system, through which you can receive notice of weather and road emergencies directly to your computer, phone, or mobile device. This information can be targeted to the locations where you live and work. Consider enrolling today.

Hunting Time

September means that hunting license season is upon us. Residents with lifetime licenses have been making the trip to the Clerk's desk to get permits, such as bow-hunting tags, which are not mailed directly. Hunters have also been coming in for "Deer Management Permits," which allow hunters to take additional "antlerless deer" during the regular hunting season. Hunters may apply for up to two DMPs, which are assigned or awarded by lottery system. Certain people, such as disabled veterans and landowners with 50 or more acres of contiguous land, receive a preference on DMPs. Deer Management Permit applications can be purchased here at the Town Clerk's office through Tuesday, October 1.

Alex Pfeifer and I are happy to help you with sporting license sales, dog license renewals, and handicap access parking tags. We are also available to answer questions about municipal business, to the best of our ability.

Autumn office hours for the Clerk's office go into effect the Saturday after Labor Day. We are now open Monday, Tuesday, Wednesday, and Friday 10am-5pm, and Saturday mornings 10am-Noon. As always, the office is closed Sunday, and Thursday. And, thanks to resident generosity, the bowl of chocolate kisses remains full.

You can always reach us by phone, 607.277.4788 and by Email at [townclerk@townofdanbyny.org]. ❀

HOME IMPROVEMENT INCENTIVES

Submitted by Tom Seaney, Heat Smart

COME TO THE MEETING Sunday, September 8, 2pm, in the Waldorf School, 20 Nelson Road, and learn how you can take advantage of clean heating and cooling technologies to make your home more comfortable and energy efficient.

You'll also be able to meet our carefully selected contractors who offer free home assessments and recommendations to make your home comfortable while—at the same time—using less energy. And you'll learn about New York State and Federal government financial incentives for heat pump systems, making it more affordable to replace or supplement your old heating system.

See, first hand, how an air source heat pump system works: the Waldorf School is now heated and cooled using one!

Whether you just want to reduce your home energy bills or be part of the Tompkins County goal to reduce greenhouse gas emissions (or both!) come to the meeting—you'll be glad you did. ❁

If you are interested in helping preserve Danby's Open Space, providing input on conservation in Danby to the Town Board and educating the public we would love to talk to you. WEST DANBY WATER DISTRICT UPDATE

Submitted by Tod Sukontarak, Water Commissioner

THERE IS NOT MUCH NEWS to report from the Water District this month.

As of August 13 we finished the second of our twice-yearly hydrant flushing.

The sole candidate on the ballot for Danby Town Supervisor, Joel Gagnon, attended our last meeting on

July 31. His input was constructive and welcome.

Our next meeting is October 2, 5pm, in the West Danby Fire Station conference room. ❁

COUNTY LEGISLATURE UPDATE

Submitted by Dan Klein, , Tompkins County Legislator

Update on Station Road Project

IN 2016, TOMPKINS COUNTY RECEIVED a grant from the NYS Department of Environmental Conservation (DEC) to do road, culvert, and stream work on Station Road in West Danby. The \$246,000 grant is to be used to restore approximately 2,000 feet of the Cayuga Inlet tributary, replace 2 failing culverts, realign the channel while maintaining existing meanders, stabilize stream banks with native vegetation, decrease nutrient and sediment loading from runoff, and improve movement of fish and other species. This work is expected to mitigate future flood damage such as occurred in June 2015.

The grant money is being matched by an equal dollar amount from the County budget, for an estimated total project cost of \$500,000.

The project has been delayed several times. The latest delay is due to the DEC rejecting the plan for the stream stabilization, and for additional design needed to replace a water line. The County will be redesigning these portions of the project. The funding was set to expire at the end of 2020, and we are now requesting an extension to the end of 2021.

I will update you as more information comes in. ❁

SARAH ELBERT: IN MEMORIAM

Submitted by Ted Crane, Pamela Goddard, Al Becker, Pat Woodworth, Mary Woodsen, Joel Gagnon, Lew Billington, Katharine Hunter, and Scott Davis.

SARAH ELBERT OF DANBY, NY passed away on Friday, August 3.

We only got to know Sarah well during the past few years, and the more we learned about her, the more her rich and significant history unfolded.

Sarah was graduated magna cum laude from Cornell University and continued at Cornell until 1974, when she was granted a Doctorate in history. She participated in Students for a Democratic Society, the Union for Radical Political Economics and the Congress of Racial Equality, and protested against the Vietnam War. She made a documentary film on the week of the 1968 Democratic National Convention entitled, *The Streets Belong to the People* and authored six books and numerous articles.

She was on first-name basis with figures in the 60s and 70s protest movement, that we ordinary people could only know as icons.

As a professor at Binghamton University, she taught classes for several decades years and was best known for her work on Louisa May Alcott. She would explain that a subtext of that author's work, *Little Women*, dealt with women's rights, slavery, and other social reforms. She was awarded the university's Chancellor's Award for Excellence in Teaching.

Sarah lived a quiet life in Danby, contributing to her community as a member of its Board of Zoning Appeals from 2013 until she resigned in 2016. She continued to believe in the right of the people to choose representatives; her support was instrumental in the recent change that allowed Danby voters to select candidates by open primary voting. ❧

HISTORY GOES TICK-TOCK

Submitted by M.A. Barr, Town Historian

MANY PEOPLE KNOW THE SONG *My Grandfather's Clock* with the lyrics that say, "The old clock stopped, short, never to go again when the old man died." Danby has gone one better. We got the old clock started again!

Our old clock was donated about two years ago by the King family of Danby. The clock is what is called a Pillar-and-scroll shelf clock with wooden works or gears. It was made by the Jerome and Darrow Clock Company in Bristol Connecticut and dates from about 1824. It was in good condition but had stopped short.

Its fate was reversed with the able help of Ric Dietrich, Ben Hogben, and others. It now works and even chimes the time. We are in the process of getting a cabinet made to protect it, then it will be displayed in Town Hall. Watch for notices saying when it has been installed!

As nearly as can be figured, it has spent its whole life in Danby and has many years left to it. A true Danby treasure. ❧

MOBILE FOOD TRUCK

Submitted by Margie VanDeMark

MONDAY, SEPTEMBER 23, NOON, in the Danby Community Church parking lot. This is open to all who need food and comes from the Food Bank of the Southern Tier. Please bring your own boxes/bags! The mobile truck offers a wide variety of food...many times fresh produce & bakery products, also canned goods, sometimes frozen meats, dairy products, and packaged foods.

Some of us were impressed by a tour of the Food Bank recently when we went for an volunteer orientation. Established in 1981 in Elmira, there are a fleet of 9 trucks and 165 partner agencies serving more than 4000 square miles in 6 counties. The latest meal count was 10.8 million! "One in eight face hunger, all of us can help." ❀

3RD ANNUAL BIG PUMPKIN CONTEST

Submitted by Bill Evans

THE COMMUNITY COUNCIL is again sponsoring a contest for the largest pumpkin. A competing pumpkin must be grown in Danby and cared for by the contestant or their family. If it looks like a pumpkin, we will call it a pumpkin (no gourds allowed).

Only one pumpkin can be submitted per contestant (multiple contestants per family okay).

Weight in pounds and girth in inches will be used to determine the champion. The weigh-in will happen during the Danby Harvest Festival in Dotson Park on October 13. All contestants will receive a certificate of participation and awards will be given for the top three largest pumpkins, the most beautiful pumpkin, and other categories to be determined.

For information, contact Bill Evans at [w.evans@danbycc.org]. ❄

HARVEST FESTIVAL 2019

Submitted by Ted Crane

DANBY'S HARVEST FESTIVAL is an annual celebration of our rural character, charm, roots, and community. Come gather outdoors in Dotson Park with your fellow Danbites! The 7th Annual Festival of home-grown happiness takes place on Sunday, October 13, 1-5pm.

We're going for the birds again: Cornell Raptor program will be on site. Student volunteers will introduce you to some glorious birds of prey: falcons, owls, and maybe a kestrel or an eagle. Sometimes we see these rulers of the sky in the sky, but seeing them up close and personal is special.

There'll be games and activities led by our Danby Youth Programs. We'll have a bonfire for ambiance. And for warmth, if temperatures take a dive! Roast some vittles on the flames while enjoying the company of friends and neighbors. Enjoy a bit of cider, cold, hot, spiced, or however you like it. We're always tickled when someone brings some goodies to share!

We're cutting the grass from around our trusty community trebuchet, and the potato launcher is coming out of storage. Both will be on hand to fling pumpkins, squashes, potatoes, lemons, and other bio-degradable projectiles. It's not every day you get to holler, "Fire in the hole!" and lob moldering produce in the general direction of the Town of Caroline. Shhh, don't tell Caroline!

Music by Lloyd's Boys and maybe a youth band, too. And more! October 13. Sunday. Be there! ❄
