ADDITIONAL ACTIVITY

West Danby Water District project: ribbon-cutting ceremony, final inspections for certificate of substantial completion. Filed MWBE report with OCR.
 Fire safety inspection: West Danby Baptist Church.
 Home Energy Rating and Disclosure project: contractor selected and contract finalized, awaiting signature from NYSERDA.
 Met with Thomas Yurysta from Optony (along with TB members Dietrich and Holahan) about Solar Road Map. Many services available from Optony if we participate (minimal time commitment, no cost) including boilerplate language for solar easements, audit of our existing solar installation, help with language for our Comp. Plan, and help with developing content for a solar information portal for the town’s website.
 “Conquering the Energy Code” project: MC invited to participate as part of advisory committee helping to develop an educational program aimed at architects and designers on the topic of the Energy Code. Initial telephone conference.
 PB support for Ft. Locks building project.
 Review and comment on the Groundwater Protection Ordinance draft.
