Privilege of Floor

Robert Roe reported that the Planning Board passed a resolution of appreciation for the 14 years of service provided by Olivia Vent and suggested that the Town Board pass a similar resolution.

RESOLUTION NO. 21 OF 2011 - APPRECIATION FOR OLIVIA VENT

Resolved, That the Town Board of the Town of Danby thanks Olivia Vent for her extended service to the Planning Board.

Moved by Klein, Second by Connors. The motion passed.

In Favor: Connors, Halton, Klein, Race, Dietrich

Dietrich informed the Board that he has asked Bob "The Letterman" Chase to make a calligraphy certificate of thanks for Vent. He also asked the Town Clerk to send a letter of appreciation to her.

Joel Gagnon pointed out that the floodlights at the front of the Town Hall were still out. The repair is waiting on finding an appropriate energy-efficient bulb for the fixture. Information about progress on a NYSERDA grant for energy efficient indoor lights in the Town Hall was shared at the same

time. Some progress is being made, although it is slowed due to the requirement that fixtures be American made.

Planning Board Interview:

The Board expressed a willingness to dispense with interviews, based on extensive prior knowledge of the applicants, if this were agreeable to the applicants. Joel Gagnon declined to be interviewed. Ted Crane spoke in favor of Gagnon being appointed, based on Gagnon's "institutional memory" and the fact that Gagnon and Crane have similar views on Planning issues.

RESOLUTION NO. 22 OF 2011 - APPOINTMENT TO PLANNING BOARD

Resolved, That the Town Board of the Town of Danby appoints Joel Gagnon to a seven year term on the Danby Planning Board, effective January 19, 2011 through December 31, 2017.

Moved by Race, Second by Dietrich. The motion passed. In Favor: Connors, Halton, Klein, Race, Dietrich

There was a general discussion regarding the purpose and use of alternates to the Planning Board. Dietrich reported on conversations with individual members of the Planning Board, stating that there did not seem to be widespread opposition to appointing alternates and that alternates could be a more viable part of the Planning process. If alternates are not appointed or used in an effective way, then the wording of the relevant local law should be changed. Klein expressed a desire for a clear opinion from the Planning Board as to whether it wants alternates as part of its board.

Race suggested that the TB appoint alternates at this time, since there seemed to be agreement that the positions would not be eliminated, and ask for further clarification on alternate use from the members of the PB.

RESOLUTION NO. 23 OF 2011 - APPOINTMENT PLANNING BOARD ALTERNATE

Resolved, That the Town Board of the Town of Danby appoints Ted Crane as an alternate to the Planning Board. **Moved by Race**, Second by Dietrich. The Motion was tabled.

Klein objected to appointing any alternates to the Planning Board prior to hearing from that board whether it wanted alternates and how those alternates would be used. Joel Gagnon shared his informal poll of the PB as to whether they wanted alternates. He reported that Klingensmith, Melchen, and Selin were all in favor of appointing alternates. Dietrich agreed with Gagnon's assessment and reported that Strichartz is not in favor of appointing alternates since they seemed to have no function. Roe reported that, in the past seven years there have only been two instances when there was not a quorum of the PB.

Connors posed the question of only having one alternate. Halton suggested that the PB clarifies the potential use of alternates. Questions to be directed to the PB include whether there should be 0,1, or 2 alternates? Would alternates fill in a quorum or substitute for a missing member? What would be the situations when an alternate would vote and expectations about attendance?

Motion to table resolution #23 by Halton, Second by Connors. In Favor: Connors, Halton, Klein, Race, Dietrich

RESOLUTION NO. 24 OF 2011 - LETTER TO PLANNING BOARD

Danby Dog Licensing Law:

Clerk Goddard explained the need to readopt this law, due to a numbering technicality. There is no need for a second public hearing, since one was held within a reasonable time of this re-adoption and there is no substantive change to the law.

Delta Engineering Update:

Halton and Shawley gave an update. There will be a road use meeting to set fee schedule associated with permits for heavy industrial use so that they are consistent throughout the county. Delta Engineering has completed its survey of Danby roads. Danby should receive four things from Delta in the month of February: the template law, a template road usage agreement, the template for the permits, a road usage agreement program manual and technical manual. This system is being tested in Sullivan County.

The following step will be a review of proposed laws, to assure that they are compatible with existing Danby laws. Once these are reviewed, the town will formally adopt the laws. Training in these road use systems will be offered by Delta once the laws are in place. The target date for law review and training is late April or early May. Four Tompkins County municipalities are participating in this process.

Gas Drilling Task Force:

Goddard suggested that the Board pass a resolution ratifying the Danby Gas Drilling Task Force as official Town committee, as the previous resolution was passed during a time for which there are no official minutes. This will also tie up the loose end of whether the Critical Environmental Areas committee is an official body of the Town undertaking potentially legally binding recommendations.

RESOLUTION NO. 29 OF 2011 - RATIFY THE DANBY GAS DRILLING TASK FORCE

Resolved, that the Town Board of the Town of Danby ratifies the Danby Gas Drilling Task Force as an official committee of the Town of Danby to educate residents on issues related to industrial development and to provide recommendations on legislative and programatic approaches, and

Further Resolved, that said committee may form subcommittees including but not limited to the Critical Environmental Areas (CEA) committee charged with researching and recommending potential CEA protection areas.

Moved by Dietrich, Second by Connors. The motion passed. In Favor: Connors, Halton, Klein, Race, Dietrich

Appointment Procedures:

Goddard led a discussion about appropriate procedures for board and committee applicants. Connors suggested that the Board draft an official set of procedures at its February meeting. She volunteered to collate materials from other government operations and direct a draft to the Town Clerk.

Emergency Management Update:

Dietrich informed the Board of progress on updating the town Emergency Management Manual. There will be a meeting with a representative of the Fire Department, to discuss how town and FD procedures will work together. There will be some training specific to potential evacuation procedures in the event of an industrial incident.

Legislative Report:

Frank Proto reported on activities at the County level. He gave an update on the committees with which he serves. A County "budget retreat" is scheduled for the last Monday in January, with the intent of strategizing fiscal challenges related to state mandates. (88% of the tax levy goes to satisfy nine mandates from the state and one third of the County budget goes to pensions.)

Proto reported on a meeting of the Soil and Water Conservation District. Limited funds are available for mitigating potential flood problems. Proto asked the Board to advise him on any problems which may be current in Danby. Gagnon mentioned the problem in West Danby necessitating the rerouting and grading a creek. Dietrich mentioned possible beavers problems.

There was a lengthy discussion of County road use legislation. A proposed public hearing has been postponed. Proto expressed concern that there is a perception that the draft legislation might inadvertently negatively impact local agricultural and small business usage. Proto supports delaying a vote in order to have additional public information sessions prior to a public hearing to allow more local businesses to express their concerns.

Dietrich expressed concern that the County road use law, as drafted, is not in Danby's best interest. There is the potential of two conflicting sets of laws for the Town and County. Highway Department Assistant Shawley expressed the concern that aspects of the two sets of law are directly opposite to each other. There are questions regarding law and judicial enforcement of these laws. Further discussions will be held.

Written Reports:

Written reports were distributed from the Town Justices, EMC, Highway Department, and Fire District. The Clerk also distributed a letter addressed to the Board from a local resident.

There was a short discussion about educating residents about procedures for various code complaints. Halton requested that more discussion about what information should be presented in the Danby Area News be included in the February 7 meeting agenda.

Adjournment

A motion to adjourn the Meeting was made at 9:08pm.
